MESSAGE FROM THE DISTRICT GOVERNOR

Dear Distinguished Rotarians

It is my privilege and pleasure to present the **RID 3211 District Priorities Manual 2026–27**.

Just as

Every Organisation has a plan &

Every Course has a syllabus,

the District Priorities Manual seeks to set out the expectations of Rotary International in general and RID 3211 in particular.

Consequently, it is on the basis of these priorities that the Award Points have been planned and assigned.

Keeping in view the RID 3211 Theme, ***Keep Rotary Simple***, the performance of the Clubs will be assessed on straight forward parameters, reflecting the efforts and resources of the Club and its Rotarians and hence are easily comprehensible.

However, let us be reminded that Awards are not simply about winning—they are about celebrating the spirit of service, recognising commitment, inspiring excellence and honouring the difference we make together.

Every Rotary Club in our District has the opportunity to create meaningful impact. I encourage each Club to dream boldly, serve passionately, work together and record every achievement with pride. Let our projects not only meet the award criteria, but, more importantly, touch lives and transform communities.

As we journey through this Rotary year, let us make excellence a habit, service our purpose and fellowship our strength. May these Awards inspire every Rotarian to go that extra mile and make RID 3211 a District where every act of service will ***Create Lasting Impact***.

Let us serve with purpose, lead with compassion and celebrate together.

My very best wishes to every Club and every Rotarian for a successful and fulfilling year.

Rtn. Krishnan G Nair

District Governor 2026–27

Rotary International District 3211

MESSAGE FROM THE CHAIR

Dear Friends in Rotary,

It is with immense pride and a deep sense of responsibility that I present the **Rotary District Priorities Manual 2026–27**.

Rotary is powered by the passion, dedication, and commitment of its clubs and members—Rotarians who continually transform ideas into action and service into meaningful, lasting impact. The District Awards are an opportunity to recognize and celebrate these efforts and the remarkable contributions made by Rotary clubs across our District.

These awards are not merely about winning accolades. They are a celebration of service, leadership, innovation, teamwork, and commitment to Rotary’s ideals. Every initiative undertaken by a club, every life touched through service, and every effort made to strengthen Rotary contributes to the larger story of our District.

This manual has been designed as a clear and practical roadmap for all clubs participating in the District Awards. It provides the criteria, timelines, documentation requirements, and guidelines necessary to ensure a process that is transparent, fair, consistent, and inclusive.

I encourage every Rotary Club to use this manual not simply as a checklist for awards, but as a tool for planning, reflection, and continuous improvement. Let it inspire clubs to set meaningful goals, measure their impact, celebrate their achievements, and strive for greater excellence throughout the Rotary year.

At the same time, let us remember that the greatest reward of Rotary is not a trophy or certificate—it is the **smile of a beneficiary, the transformation of a community, and the knowledge that our collective efforts have made a difference**.

As we move forward together, let us embrace simplicity in our planning, sincerity in our service, and excellence in our execution. Let us reduce unnecessary complexity, focus on what truly matters, and make every Rotary initiative purposeful and impactful.

Above all, let us live our District Theme: ***KEEP ROTARY SIMPLE***

May this Rotary year be filled with meaningful service, innovative ideas, stronger fellowship, and enduring impact.

I wish every club and every Rotarian a fruitful, impactful, and memorable Rotary Year 2026–27.

With warm Rotary regards,

Rtn. Alex Koshy
Chair, District Awards Committee
Rotary International District 3211
